SUBJECT: CABLE RECALL: REFORMING USG HUMAN RIGHTS ADVOCACY

REF: TASHKENT 1070

Please disregard Tashkent 1070. The text of that message was not fully cleared and was accidentally released electronically. It represents an earlier draft of ideas on ways to improve the human rights reporting process. The draft was in the process of being dusted off and reviewed in response to a request for possible recommendations for the transition team, and was accidentally transmitted. We do intend to update the original draft from several months ago, and will submit it later. We regret any confusion.
